

GLOUCESTER HOCKEY ASSOCIATION

GHA President/District 9 Chairman Annual Report 2025/26

This year was my third year back after being President/Chair for 8 years previously.

D9 Chairman Report.

This season was my second as the minor council chair. I also served again as the discipline chair for HEO Minor, duties for these positions was to chair the minor council meetings, liaison with Bailey from HEO on discipline interpretations and agenda items. Also bring forward to the HEO board concerns from minor council. Put forward a request for U9 to play as HC mandated full ice games after Dec.26th. This resulted in 2 more full ice games next season. Successful in advocating for one extra tournament for pathway level teams. Provided mentorship to new District Chairs and guidance when asked.

GHA President

This past season was Cumberland's second season back into the GHA House league at all levels.

This was a successful second season back and they will return again for a third season

The GHA playoffs went well with many close games, the finals weekend at Armstrong was a success with all Associations represented in the final games. All Associations won at least one banner. Thanks to all who helped out in making this weekend a success and a very memorable day for the teams playing in the Finals

I would also like to thank all of the GHA volunteers, coaches, team officials and local board members for their time in making the GHA House league one of the best in HEO.

Lastly this season 5 board members are leaving the GHA Board of Directors. A great appreciation of their time on the GHA board goes to Chris McArthur (President East end), Julianne Oelke-Simonsen (Vp Admin), Stacey Hall (President Leitrim), Matt McCarlie (U7/U9), and a special shout out to Jason Ward (GHA Registrar) who served for the last 4 yrs.

Have a great summer, see you next season.

Yours in Hockey

Reg Mac Donald
District 9 Chairman
GHA President
